**Open House begins at 6:00 p.m.
RAB Meeting begins at 7:30 p.m.**

The Navy is pleased to announce the 36th meeting of the Restoration Advisory Board (RAB) for Naval Weapons Industrial Reserve Plant (NWIRP) Bethpage (former Grumman facility).

An Open House will be held to answer general questions from 6:00 pm to 7:30 pm.

The RAB for NWIRP Bethpage, consisting of community members and representatives from the Navy, State and Federal environmental agencies, and other groups, will hold its thirty-sixth meeting. Discussion topics will include an update on activities at NWIRP Bethpage. Information on the Environmental Restoration Program (ERP) is available at Bethpage Public Library and online; the community members are encouraged to review the program details for background information.

The RAB is a forum to discuss the environmental programs underway at NWIRP Bethpage. It is requested that the members submit their questions in advance for discussions. All meetings are open to the public and everyone is encouraged to attend.

money to the Flood family," he said.

Ty and his family had a nice time at the fundraiser and they were very appreciative of everyone who made it possible.

"On behalf of my wife and kids, we cannot express how grateful we are. We are grateful for not only what everyone did for our family, but the way they did it. We would be lost without the efforts of people like that," said Tim Flood. "We have a lot on our plate and this allows us to focus on the important things and we cannot thank everyone enough. I want to thank absolutely everyone who helped out and came to the event."
